

**Sharpen your agile tools  
for better outcomes**

# BA solo

Platform Unification: 180mil, 27-month program

Only BA in a large team- 20+ ppl in total, 10+ Engineers

Heavy focus in Iteration Management

What shall I do?

# **A enlightening conversation on**

1. rituals ownership
2. success metric

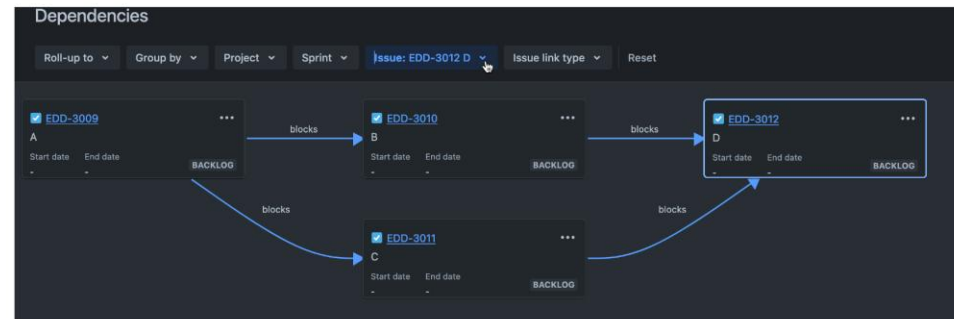

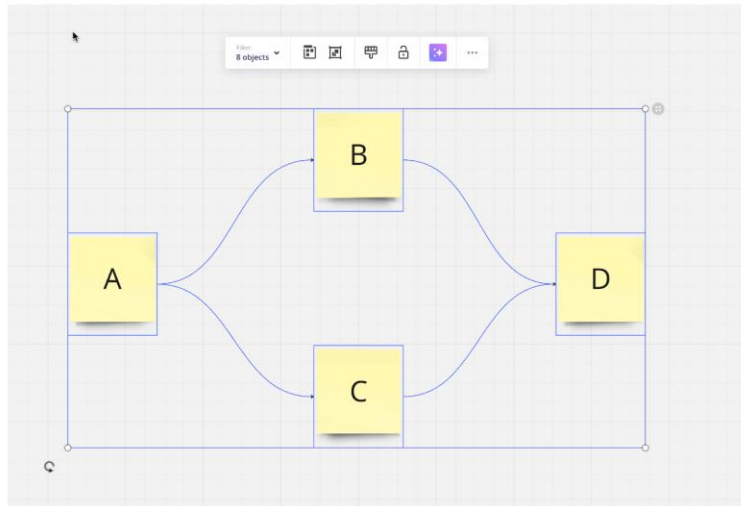

# Principle

Make redundant of ...

your current responsibilities

# Provide visibility

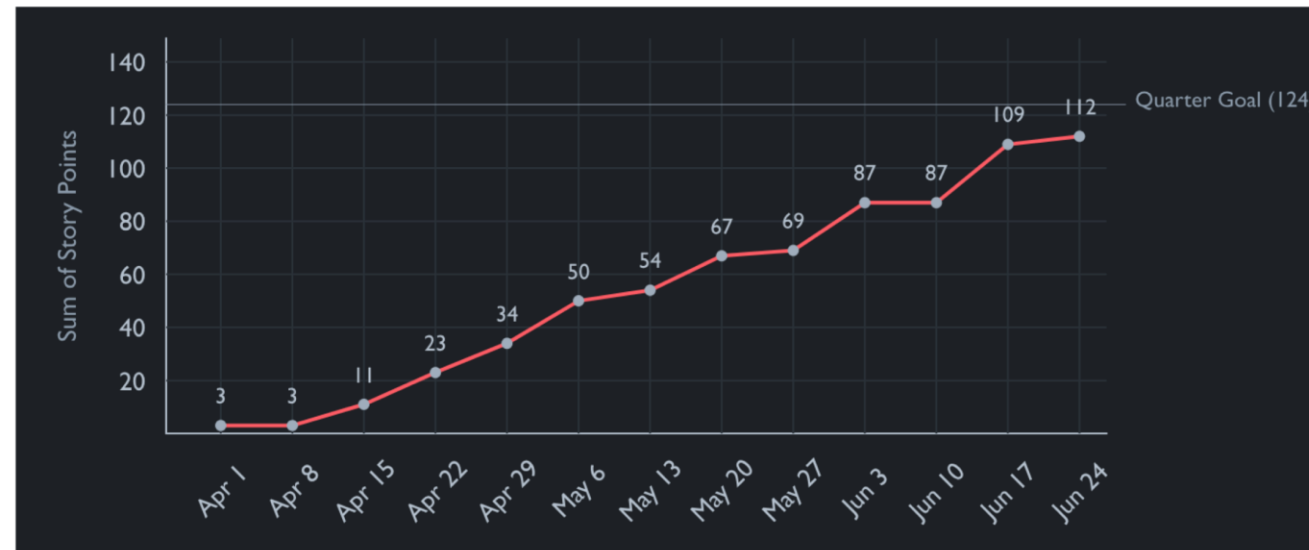

1. Visibility creates accountability
2. Tools: [Miro](#), [Jira Roadmap](#), [Jira Dashboard Plugin](#)
3. Provide visibility on
  - a. Dependency

# Provide visibility

3. Provide visibility on

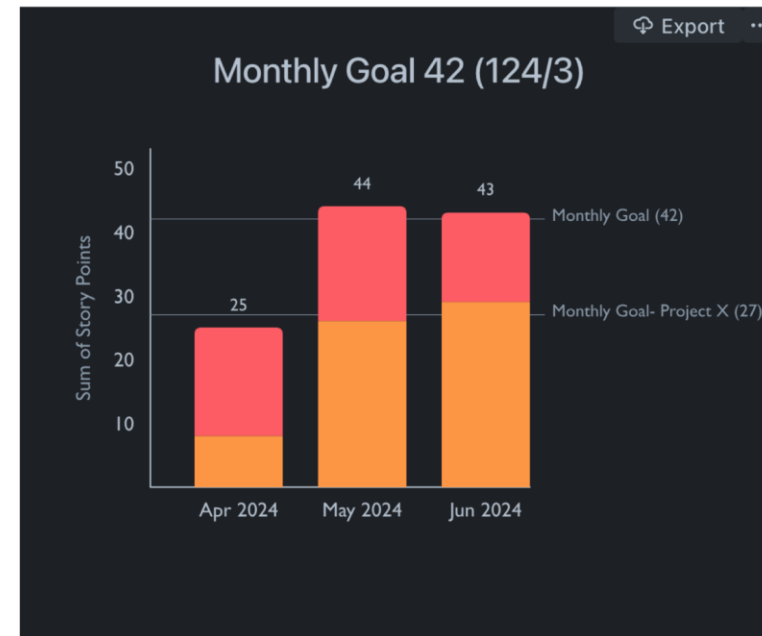

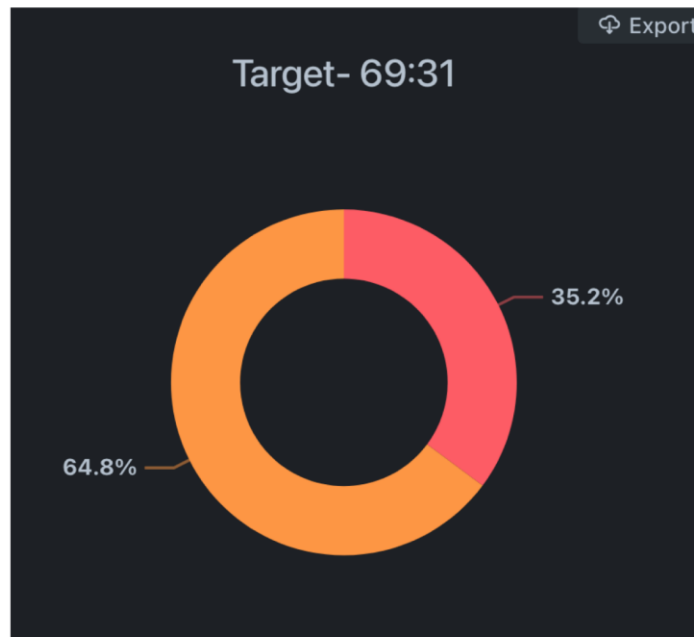

b. Goals and progresses

# Provide visibility

3. Provide visibility on

c. Right balance of investment

# Provide visibility

3. Provide visibility on

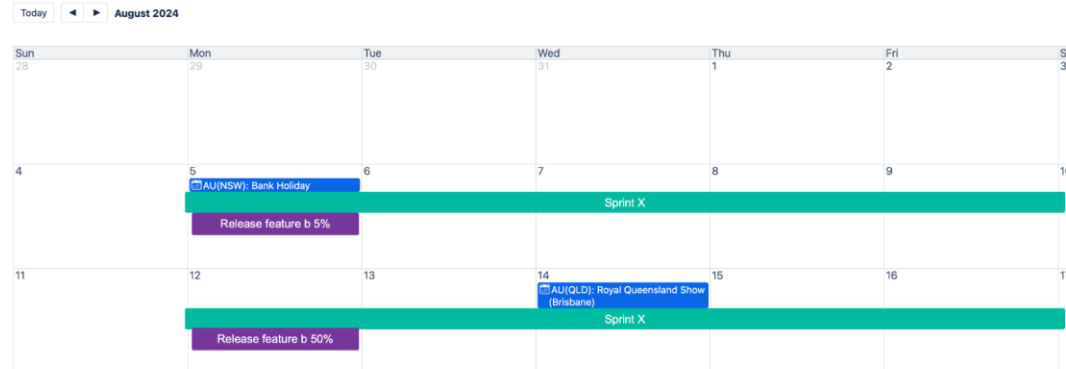

d. Healthy pipeline of work

e. Customer Value Delivery

f. Other agreed metrics

Ready cards

	Category A	Category B
Epic 1	12	-
Epic 2	5	-
Epic 3	-	7
Epic 4	-	3

# Create Space

1. Ritual roster and sample guide
2. Take it or bin it- retro action
3. One leading group per epic
4. One channel per group
5. Minimum Viable Practices
6. Streamline, then automate

# Don't forget to have fun

1. You spend about 1/2 waking hours together
2. Invest in the Emotional Bank Account
3. Make an effort in the remote/ hybrid
  - a. Question of the week
  - b. Game and fun
  - c. Virtual coffee

# Win-Win-Win

1. Self-organising, self improving team
2. High velocity and speed-to-market
3. Increase engagement and fulfillment

What are you taking back to team?
